

Reduce time, maximise performance, with Quick Programmes

The Quick Programmes are built for mid-week washes and smaller loads. Choose between the Easy 60-minute wash, Rapid 30-minute cycle, and the 14-minute Refresh wash. For great results, at a time that suits you.

Product Benefits & Features

Quick Programmes, more time for you

The Quick Programmes are built into the machine so you can get more done on busy days. The Easy 60-minute cycle is a great all-rounder, while the Rapid 30-minute programme is on hand for smaller loads. And for an extra quick treatment, the 14-minute Refresh cycle can be selected, too.

- Maximum spin speed: 1200 rpm
- Delay start option - set the machine to start when it suits you
- Child lock
- Feet: 4 adj feet
- Anti-flood protection
- Washing programs: Eco 40-60, Cottons, Synthetics, Delicates, Wool, Denim, Sport Wear, Spin/Drain, Rinse, Dark Clothes, CleanBoost, 14min Rapid, 30min Rapid, 60min EasyWash

Give your clothes an effective wash with CleanBoost

The CleanBoost 60°C washing programme provides steam at the end of the cycle, to give your clothes a hygienic and efficient clean. This helps reduce bacteria and allergens from your clothes, and supports better laundry hygiene.

Reduce the time of cycles, with FlexiTime

You're always in charge with the FlexiTime button, which lets you speed up cycles to suit your schedule. Tap once to activate, and again to subtract some cycle time. You can do this three more times – every time chopping off a bit more of the cycle's overall duration.

Fewer creases, with EasyIron

The EasyIron programme applies extra care to your laundry cycles, reducing wrinkles and creases in clothes. During the cycle, the drum alternates the direction of its rotation, letting clothes move more freely. So you spend less time standing over the ironing board.

Lower laundry noise, with the inverter motor

Enjoy consistent results for longer, with the washing machine's inverter motor. The improved technology allows quieter cycles, so you can leave loads to wash overnight without disturbing the neighbours.

Product Specification

Water cotton 60	0	The energy consumption of the eco programme in kWh per cycle (EU 2017/1369)	0.625
Drum volume	53	Full load wash capacity, kg	8
Motor System	Inverter	Max spin speed, rpm	1151
Dimensions (mm) (HxWxD)	847x597x540	Noise level, dB(A) (EU 2017/1369)	76
Depth max, mm	568	Duration of eco 40-60 programme in hours and mins at rated capacity (EU 2017/1369)	3:25
Wheels/feet	4 adj feet		
Cord Length	1.8		
Inlet hose length (mm)	130		
Outlet hose length (mm)	145		
Connected load (W)	2000		
Voltage (V)	230-240		
Required Fuse	13		
Frequency (Hz)	50		
Porthole Type	RIM XL W		
Woolmark	None		
Det. dispenser compartments no	2		
Program list	Eco 40-60, Cottons, Synthetics, Delicates, Wool, Denim, Sport Wear, Spin/Drain, Rinse, Dark Clothes, CleanBoost, 14min Rapid, 30min Rapid, 60min EasyWash		
Spin drying efficiency label	B		
Weighted energy consumption in kWh per 100 washing cycles of eco 40-60 programme (EU 2017/1369)	63
